- **Green-e Climate Certified Terrapass Mix** is a carbon offset product. One carbon offset represents one metric ton of carbon dioxide-equivalent emissions reductions. The verified GHG emissions reductions you purchased are sourced from projects that have been validated and registered under high-quality project standards.
- The Carbon Offset Content Label represents the mix of offsets we have contracted to provide. Actual percentages of GHG emissions reductions may vary by a small amount. In the case of significant variance, Terrapass is obligated to provide you with more accurate historical disclosure.
